TIE BREAKER ROUND

Bidder	Bid Offer	Time Bid Made (i.e. Confirmed)	IP Address
Bitflux	23,251,000.00	2014/02/19 12:02:23.404797 GMT+1	192.168.0.192
Globacom	23,050,001.00	2014/02/19 12:02:59.275799 GMT+1	192.168.0.44

NOTE:

The result of the First Round led to the Tie Breaker Round since both bidder did not bid. The Auction Software automatically takes the Second Round to the 'Tie Breaker Round'. At this point, the system gave both bidders the opportunity to bid at a price which is less than the Offer Price at round 1 but more than the Reserve Price; the result of this round is shown below.
