

# COVID-19 RESEARCH GRANT PROPOSAL DATABASE

## THEME: HEALTH

#	COMPANY	CONTACT DETAILS	PROJECT DESCRIPTION
H01	Erinayo Faborode	Remedium NG <a href="mailto:help@remedium.ng">help@remedium.ng</a> 08110895072	An online platform providing psychosocial support to isolated workers and telemedicine services to people with flu-like symptoms via toll-free telephony, AI-bot enabled chats and video calling platforms
H02	TCOM Wireless Nigeria	Jovworie Tanshi <a href="mailto:tcomnigeria@gmail.com">tcomnigeria@gmail.com</a> 291, Warri/Sapele road, Warri. Delta 07011196892 08098075887	A digital platform that will be used to provide remote and connectivity support to health workers as well as connecting them with citizens
H03	Jacobs Ifeanyi. O, Ndukwe Agwu & Ibeagwu Onyebuchi. I	<a href="mailto:agwu.ndukwe@unn.edu.ng">agwu.ndukwe@unn.edu.ng</a>	Infrared Controlled Hand Washing Machine with Sanitizer Dispenser
H04	Francis E. Idachaba	<a href="mailto:idachabafe@yahoo.com">idachabafe@yahoo.com</a> Department of Electrical and Information Engineering College of Engineering Covenant University Ota Ogun State ,Nigeria +234-8039570321	Construction of a multiport hand washing station to provide an avenue for users in public places to wash regularly without the need to return home before washing their hands
H05	Lawrence Ogbuitepu	<a href="mailto:lawrencemicheals306@gmail.com">lawrencemicheals306@gmail.com</a> T: +234 705 559 7739, +234 806 586 2876 NO 40 BALOGUN ESTATE MAJEK, OPPOSITE FARA-PARK ESTATE, LEKKI-EPE EXPRESSWAY, AJAH. LAGOS STATE.	Digital Healthcare Management System- Designed to help healthcare providers collect, store, retrieve and exchange patient healthcare information more efficiently and enable better patient care.
H06	DigiServe Network Services Limited	Lanre Ajayi <a href="mailto:lanre@pinet.com.ng">lanre@pinet.com.ng</a> +234 803 544 0209 No 2 Allen Avenue, Ikeja, Lagos	DigiHealth: remote delivery of health care services, a practice widely known as Telemedicine
H07	Micheal Arowolo	<a href="mailto:arowolo.olaolu@gmail.com">arowolo.olaolu@gmail.com</a> 08032284439	Machine Learning Approaches for Predicting the Impact of COVID-19 on Health and Economy

H08	EMEX AND STAN GIS CONSULT	eorji88@gmail.com 8022867591 Ifelodun Street Shomolu, Lagos	Remote sensing and GIS technology to prevent, trace and contain the spread of Coronavirus
H09	Phase Point Platforms Ltd	atbello@phasepoint.co +(234)80-3504-7201 +(234)80-9444-5113 6 Aa Jibrilla Avenue, Kawo New Extension, Kaduna	Phase health bands - are made of highly sensitive sensitive sensors with the abilities to provide real-time updates on basic health status of individuals transmitted to and displayed on a single dashboard
H10	ARDIG group	<a href="mailto:ardig.contact@gmail.com">ardig.contact@gmail.com</a> 07036700164 Faculty of Air Engineering Air Force Institute of Technology Kaduna Nigeria	Low cost innovative IoT-enabled digital ventilator with hemodynamic patients vital sign monitors and remote visualization of pulmonary measures
H11	DUNNEBOS LIMITED	dunnebos@outlook.com +2349045732765	GSM-based automatic temperature detector for covid alert in public places
H12	Seyi Osunade & Victor Akhiemien	<a href="mailto:seyiosunade@gmail.com">seyiosunade@gmail.com</a> 0803 326 4855 victor.akhimien@vicamen.com 08022220432 Department of Computer Science, University of Ibadan, Oyo State, Nigeria Vicamen Pharmacy Stores, Lagos State, Nigeria	Pharmaceutical e-commerce and mobile App: mobile application that interacts with a pharmaceutical ecommerce platform to determine availability of medications, bill customers using prices approved by the store, and delivering the items as intended.
H13	Taliha Abiodun Folorunso	<a href="mailto:inspiredtalhah@gmail.com">inspiredtalhah@gmail.com</a> 07034226984 Kwara State University, Malete, Kwara State Newgate College of Health Technology, Minna Federal University of Technology, Minna	Premise Inspection Application System (PIAS)- solves the problem of facilities and housing inspection during and post Covid 19
H14	Amin Balogun (CTO)	<a href="mailto:primediagnositics@gmail.com">primediagnositics@gmail.com</a> 08058033969	Smartclinic-Telemedicine platform that will allow residents in states access to healthcare facilities without having to overcrowd or physically be present if not entirely necessary.

H15	John Enoch	<a href="mailto:john.enoh@beeptool.com">john.enoh@beeptool.com</a> BeepTool Communications & Integrated Services LTD 40, Fola Osibo Street, Lekki Phase1 Lagos +234-7063953147	"LAFIYA" Healthcare platform using digital communications to prevent, trace, and contain the spread of Coronavirus in Nigeria and other diseases in Nigeria
H16	Tech Brains	Abdulumumin Sa ad <a href="mailto:Abdulsaad1994@gmail.com">Abdulsaad1994@gmail.com</a> 08132485770	MoHealth- a servive that deals with public health care problems by providing an alternative medium to medical consultation, access to quality drugs and reporting of outbreaks which is accessible
H17	Oato media Limited	amadosi.odaibo@oatomeia.com +234-8142441028	MedLab- computer software that is geared at solving the problem of cumbersome consolidation of testing data at our test centers
H18	OLANIPEKUN FEMI ODUNAYO	fmodunayo@gmail.com 08032345463. 24, Fatodu street, Oremeji-Mokola, Ibadan	Assessing and proffering adaptable Digital solutions for addressing the present and future impacts of pandemic and epidemic diseases in Nigeria
H19	IEEE Skillup Hub	<a href="mailto:kennedy.okafor@ieee.org">kennedy.okafor@ieee.org</a> +2348034180668 Federal University of Technology, Owerri, Nigeria.	Analytic robot for proactive management of covid-19 epidemic in nigeria
H20	Adefunrin Sunday Sefunmi	<a href="mailto:sundayuplift@gmail.com">sundayuplift@gmail.com</a> 07034596028	The proposal is directed at providing relevant and valid information that are of assistance in understanding the specific effects which are being caused by the current pandemic and epidemic outbreak
H21	SUNDIMENSION LTD	alexiyaji@sundimension.ng +2348032321448 The Dimension @ Suite 17, WILFLOX Plaza Plot 780, Wuye District Abuja-FCT, Nigeria	Awareness support tracking solution- used by NGOs to capture communities where they have carried out awareness programs in every state in Nigeria
H22	td4pai IoT Hub	<a href="mailto:td4pai@gmail.com">td4pai@gmail.com</a> +2347084467737	Wearable IOT based remote patient monitoring system- monitors all vital health parameters remotely, helps to diagnose the health condition of patients and creates a fast responding alert mechanism

H23	Solomon C. Madu, Solomon C. Nwafor, Endaline A. Madu & Ijeoma J.F. Ezika	<a href="mailto:solomon.madu@unn.edu.ng">solomon.madu@unn.edu.ng</a> +234 803 8716 301	Sustainable Self-Spraying Surface Sanitizer and Surveillance System
H24	Onoja Anthony	<a href="mailto:donmaston09@gmail.com">donmaston09@gmail.com</a> 4th Avenue, Sunny vale Estate, Apo, Abuja (Nigeria) Phone no.: +2349039535267	Predicting Individuals' Risk status to COVID19 Infection: An Artificial Intelligence and Machine Learning Approach
H25	Wessembly Services	<a href="mailto:dosedu5@gmail.com">dosedu5@gmail.com</a>	One Medic- set out to connect professionals with clients through online services.
H26	Xplash Multi Electronic Ltd	Phone: +234 80 6633 9269 Email: mubarakahmad4@gmail.com Address: Plot 203, CBN Extension, opposite Blessed and Precious Academy, Lugbe Abuja	Xplash Computerized Ventilator- locally made innovation to address the challenges of ventilator shortage in Nigeria
H27	David Alozie	<a href="mailto:David.e.alozie@gmail.com">David.e.alozie@gmail.com</a> Phone no: 08099447105	Auto-tracking of carriers COVID-19, Lassa Fever using Artificial Intelligence
H28	Beeptool Communications & Integrated Services Ltd	Mayowa Ihinmikaiye <a href="mailto:Mayowa.ihinmikaiye@beeptool.com">Mayowa.ihinmikaiye@beeptool.com</a> 07032531501	"LAFIYA" Healthcare platform using digital communications to prevent, trace, and contain the spread of Coronavirus in Nigeria and other diseases in Nigeria
H30	JD Lab	Abdulkadir Suleiman Lapai <a href="mailto:asuleimanlapai@jdlab.ng">asuleimanlapai@jdlab.ng</a>	Asibiti- Allows patients, health care professionals and hospitals communicate and have a way to exchange information from easy access of data to payments, diagnosis and prescriptions
H31	Felix K. Opara, Bede Anusionwu, Emma Agbaraji, Victor Nwankwoke & Felix A. Onyema	<a href="mailto:devictor100@gmail.com">devictor100@gmail.com</a> +2348069467459 EEE Department, Federal University of Technology, Owerri (PMB 1526)	An Implementation of 4-Simultaneous Users General Purpose Hand Sanitizing Machine to Curb Covid 19 Spread
H32	Starfolk Software Technology Ltd.	starfolksoftware@gmail.com 09027794286 2 Rimi Road, Ungwan Rimi, Kaduna	AminaTheBot: An AI-Powered Multilingual Chatbot. Operates across multiple social media platforms to assist in the fight against the public health crisis of Covid-19 in Nigeria

H33	Advanced Engineering innovation Centre (AEIC)	Sadiat Adetoro Salau (Mrs) University Library Services, Federal University of Technology, Minna <a href="mailto:adetoro@futminna.edu.ng">adetoro@futminna.edu.ng</a> <a href="mailto:leekeem8085@gmail.com">leekeem8085@gmail.com</a>	AI Mobile App Solution- Extracts and filters ingested information on a person's location, certain determined immunity parameters and an extraction and filtration of location based herbs from a database of local herbs and plants
H34	Matthew Olubiwe, Felix K. Opara, Onyebuchi Nosiri, Damian Dike, Bede Anusionwu, Emma Agbaraji & Victor Nwankwoeke	<a href="mailto:devictor100@gmail.com">devictor100@gmail.com</a> +2348069467459 EEE Department, Federal University of Technology, Owerri (PMB 1526)	Achieving Social Distancing for Enclosed Spaces using a Digital Based System- will be developed to alert users when the distance between two or more persons in enclosed spaces is less than 2meters.
H35	Fwangkat Daburak	<a href="mailto:fwangkatdaburak@gmail.com">fwangkatdaburak@gmail.com</a> <a href="mailto:yenexpressmed@gmail.com">yenexpressmed@gmail.com</a> Ft 28B Fudawa Along Bauchi Ring Road, Jos, Plateau State. Nigeria. 08148707999, 09072605540	Yen express- tech-based medical hub conceived to provide convenient, quick, reliable and affordable healthcare service to populace the comfort of their homes
H36	iWoed of Tech Ltd	IWORLDOFTECH LTD. NO. 71 AHMADU BELLO WAY, NASARAWA KANO 08039667197, 08098069816 <a href="mailto:iworldoftech@gmail.com">iworldoftech@gmail.com</a> <a href="mailto:info@iworldoftech.com">info@iworldoftech.com</a>	Design And Implementation Of Virtual Nobility Clinic (VINIC)- A telemedicine application that is aimed at providing an alternative to visiting hospitals. The application will provide users an array of functionalities that will make visiting hospitals a choice not a necessity
H37	Proghost Nigeria	<a href="mailto:proghostnigeria@gmail.com">proghostnigeria@gmail.com</a> 0812359159 08140416308	Automatic soap and water dispenser
H38	CyberKach	<a href="mailto:Onyekachi.Okereke@cyberkach.com">Onyekachi.Okereke@cyberkach.com</a> +234 8033817154	Satara- A web/ mobile application that leverages technology to enhance business to business transactions, while minimizing person to person interaction and increasing economic activities
H39	CREATION ENERGY	edmundisaac16@gmail.com	Development of Smart Rechargeable Ventilator

H40	IEEE Skill-Up Tech Hub Team	<a href="mailto:ifeyinwa.achumba@futo.edu.ng">ifeyinwa.achumba@futo.edu.ng</a> , <a href="mailto:ifeyinwaeucharria@yahoo.com">ifeyinwaeucharria@yahoo.com</a> ; 08100495399	An Electronic E-Laboratory for EEE Undergraduate Students' Lab Work from Home
H41	Oluwumi Enoch Okikijesu, Oni Oluwadolapo Solomon & Okunuga Aminat Makajuola	<a href="mailto:okikijesus@gmail.com">okikijesus@gmail.com</a> <a href="mailto:oluwadolapooni@gmail.com">oluwadolapooni@gmail.com</a> <a href="mailto:makadeaminat@gmail.com">makadeaminat@gmail.com</a> Phone Number: 09030759382 07030438646 09038609484	COVID-19 Clinical Decision Support System (CDSS)-An intelligent clustering analytic engine that serves as a clinical decision support system
H42	Khaleed Umar	<a href="mailto:khaleedu@gmail.com">khaleedu@gmail.com</a> +2347069696984	CORA ECLINIC- Real time clinic for a doctor-patient anytime and anywhere. It allows doctors and patients to communicate in real time via phone consultation.
H43	Umar Adam Ibrahim Lukman Ismaila Enegi	08035239521 08136605722	Fever Detection and COVID 19 Tracing Drone- A hardware and software application with primary goal of detecting person(s) with high fever in a crowded and busy environment.
H44	Group captain (Dr) OC Ubadike Dr H Anabi Engr Christopher Ademola Engr Habib Muhammed Engr Paul Adamu Fg offr JO Dogunzo	<a href="mailto:diketronics@yahoo.com">diketronics@yahoo.com</a>	Development of low-Cost Artificial Intelligence based Automatic Facial Temperature Observation System For Early COVID-19 Detection
H45	Eyehelp Africa Network Ltd	info@eyehelpafrica.com; +2347035203374	Eyehelp Africa Network website- to coordinate eye care professionals as well as other health care service providers to deliver telemedicine, particularly- eye care.
H46	EUREKA AI	<a href="mailto:kenneth@eureka.ai">kenneth@eureka.ai</a> 08096395577 1625b Saka Jojo Victoria Island, Lagos.	Pinpoint- Software that brings all mobile operators in the country into one single interface, combining it with local healthcare data such as Covid 19 testing data and integrates it with state-of-the-art AI models

H47	Eracare Team	<a href="mailto:oluwatosinjesutofunmi@gmail.com">oluwatosinjesutofunmi@gmail.com</a> 08062797206 Address: 15, Akanni Street Somolu, Lagos.	Eracare: data driven platform that helps healthcare providers manage their medical records as well as their internal management system
H48	Hospital Visit Plus	<a href="mailto:srcnigeria@yahoo.com">srcnigeria@yahoo.com</a> 07068180074 Address: Zone 4, Dutse Alhaji, Bwari, Abuja.	Hospital Visit Plus: service platform that links patients to hospitals and frontline healthcare workers
H49	Elizade University Team	Ade Sijuade <a href="mailto:ade@ahsts.africa">ade@ahsts.africa</a> 07031513223	Temperature scanner with contact tracing capability- The proposed project is meant to deploy technology in the detection and contact tracing of suspected infected persons.
H50	Princewill Ikpeka	princewill.ikpeka@futo.edu.ng +234 (0) 706 156 7490 Lecturer, Department of Petroleum Engineering Federal University of Technology, Owerri PMB 1526, Owerri	Design and Fabrication of Artificially Intelligent Low-Cost Non-invasive Ventilator with Remote Control Capabilities- ventilator that can be used to supply continuous positive airway pressure (CPAP) with an adjustable inspiratory time
H51	TRACR Team	<a href="mailto:dvdejim@gmail.com">dvdejim@gmail.com</a> Phone: 08081776234 Office Address: Room 8, Student Affairs Unit, University of Ilorin, Ilorin Nigeria. Personal address: 6, David Oyinloye Crescent, Tanke, Ilorin. Kwara state.	TRACING & RECONNAISSANCE APPLICATION FOR COVID-19 REGULATION (TRACR) - A geo location tracking system to aid health care workers, policy makers and public healthcare professionals take more targeted options.
H52	ABDULWASIU AYoola	<a href="mailto:okejidemdgs484@gmail.com">okejidemdgs484@gmail.com</a> <a href="mailto:abdwasiu_ayoola@yahoo.com">abdwasiu_ayoola@yahoo.com</a> Phone: 09096711907	Virtual Business School and Clinic (VBSC)
H53	WHALE NETWORK	<a href="mailto:whalenetwork247@gmail.com">whalenetwork247@gmail.com</a> +2348166522042	"COVID19 NIGERIA" mobile application- enables contact tracing through Global Positioning System (GPS) and location generated social graph, an individual's interaction with a confirmed Covid 19 case

H54	Nssien Joseph	<a href="mailto:josephnssien@gmail.com">josephnssien@gmail.com</a>	Project Tape- shows how block chain technology couple with a data collection software will help track corona virus infected victims.
H55	Akujobi Chiemezuo Nnaoma	<a href="mailto:chumieakuj@gmail.com">chumieakuj@gmail.com</a> 07065678045	Mobile Application and USSD code for accurate daily information , virtual test, contact tracing and health data monitoring
H56	Cure my nation initiative	<a href="mailto:curemynation@gmail.com">curemynation@gmail.com</a> 07010740509, 07065067380	Digitization of primary health care centre against COVID-19 and other diseases.
H57	Engr Dr Longinus S. Ezema	IEEE Skill-Up Tech Hub Team longinus.ezema@futo.edu.ng, ezemms@yahoo.com; 08136404590	The Covid 19 sentinel wearable electronic device (C-SWED)- A smart wrist band that has a microcontroller at the heart of the design for prevention and detection of corona virus
H58	MyClinic.ng	<a href="mailto:info@myclinic.ng">info@myclinic.ng</a> 08147731825	Myclinic-Remote patient management software that enables users to contact qualified medical doctors from anywhere at any time using the mobile app and/ or toll free numbers for as little as N1000/user per month
H59	Sagir Lawan	<a href="mailto:slawan@nda.edu.ng">slawan@nda.edu.ng</a> 07082654757	Design of IoT Base Noninvasive pedestrian monitoring and preventive system for COVID 19- used to interconnect the designed medical system so as to continuously monitor person's body temperature health and offer smart and effective Covid preventive services to the people
H60	Sam Olayemi	+234 9091920347 <a href="mailto:manifestationsam@gmail.com">manifestationsam@gmail.com</a>	Sky Squad-a technology company that focuses on building Robotics, Artificial Intelligence and Automated Machines for telehealth
H61	Isah Dahiru	<a href="mailto:easerdahiru@gmail.com">easerdahiru@gmail.com</a> Specxs Care Limited No. 42, Tafawa Balewa, Opp. Hotel De France, Kano.	SPECXS CARE -Mobile app for health care setting.

H62	PreDiagn	<p>princekunzy@gmail.com  08035434655  07063008978,  08118027445  10, Taye-Alabi Street, Off Joseph Adeniran Way, Bibilari, Ibadan  6th Floor, Co-Creation Hub, 294 Herbert Macaulay Way, Yaba, Lagos.</p>	<p>Skrind App – an AI-based mobile app for large scale rapid testing for community spread surveillance with real-time test results data cascade and follow-on care linkages</p>
H63	nazeef yahaya	<p><a href="mailto:nazeefy84@gmail.com">nazeefy84@gmail.com</a></p>	<p>Health Kit Application- An online application that provides list of treatment to a patient that feels or suffer body disorder, it also allows patients to interact online with doctors.</p>
H64	Awosiku Olutola	<p><a href="mailto:Awosikuvivian9@gmail.com">Awosikuvivian9@gmail.com</a>  <a href="tel:08149293259">08149293259</a></p>	<p>U-CoHUB is a University-fit virtual Ideation Hub designed to empower university undergraduates with skills, Mentorship, opportunities and technical support to become providers of solutions to social and real-life problems using decentralized digital technology to bridge the digital divide between privileged and less-privileged students</p>
H65	OkwuEco Next-Tech Limited	<p><a href="mailto:obis.nkem@gmail.com">obis.nkem@gmail.com</a>  08036494755  43 Yakubu Gowon Way Jos, old airport Junction, Jos Plateau State.</p>	<p>Mobile application that helps health personnel and first responders to become more productive</p>
H66	Umar Abdullahi Magaji, Ahmed Ibrahim Khaleil, M. I. Aibinu, Tolha Folorunsho & Abubakar Sadiq Ahmed	<p><a href="mailto:umarabdullahi@futminna.edu.ng">umarabdullahi@futminna.edu.ng</a></p>	<p>Low cost photobiomodulation based therapeutic approach to covid-19 pandemic- An efficient photobiomodulated led virus killer device to produce humanely safe anti virus/ bacteria light intensity at required wavelength for combating corona virus to reduce infections</p>

H67	Sagware International Limited	sagware@gmail.com +2348109969918 Number SO11, Opposite Kasuwan Gwari, Herwagana Gombe, Gombe State.	Application of Mobile Big Data and Bayesian Reasoning toward the Control of Covid-19 in Nigeria that will be tracking phone users locations and cameras for non-phone users
H68	Engr. Ajiroghene Sunday	Ajiozi Limited <a href="mailto:sunny.ajiroghene@gmail.com">sunny.ajiroghene@gmail.com</a> +234-8064107055 +234-8151654368	Mobile COVID'19 Hospital (MCH)- A disruptive technology that provides safe spaces for individuals through the use of smart system to automate hand washing procedure, sanitizing boot powered by solar system and the use of IOT portable pulse oximeter
H69	Mahisaf Global Services	<a href="mailto:mahisafglobalservices@yahoo.com">mahisafglobalservices@yahoo.com</a> <a href="#">No C30, Kobi Street, Bauchi State</a> <a href="#">08038027880</a>	Fabric-based smart garment for COVID-19 detection, identification, and prevention using RF wireless signals for the vulnerable in society.
H70	FUPRE Energy Solutions (Nig) Ltd	<a href="mailto:otanocha.omonigho@fupre.edu.ng">otanocha.omonigho@fupre.edu.ng</a> +234 (0) 8037073563	KLOP SOLUTION- software developed with integrated Artificial Intelligent (AI) imaging, diagnosis and result interpretation features to assist medical practitioners
H71	James Polamz-King	<a href="mailto:jamespolamz@gmail.com">jamespolamz@gmail.com</a> 08104041253	Domestic Red Alert- A proactive creation that is designed with the intent of providing much needed solutions in the health, transportation and security sectors
H72	Owen Shedrack	<a href="mailto:groth.hq@gmail.com">groth.hq@gmail.com</a> <a href="mailto:owen.shedrack@grothhq.co">owen.shedrack@grothhq.co</a> 09056927998 0813232631	TeleKlinik- A clinical management solution and telemedicine platform which enables new-age hospitals accommodate processes, people and equipment to help gain new process efficiencies, scale up facilities and boost treatment in higher patient and stakeholder satisfaction
H73	Energol Technology Hub	<a href="mailto:energoltechhub@gmail.com">energoltechhub@gmail.com</a> 08140566617	Healthatonic –Community-centered medical software solution that provides optimal health care service to people, bringing primary health care to the doorstep of every member of its host community
H74	Kenneth Uvah	<a href="mailto:uvahkenneth@gmail.com">uvahkenneth@gmail.com</a> 09037040669	Healthy World- An online health statistical data aggregator
H75	Henda Zealmark	<a href="mailto:hendazealmark@gmail.com">hendazealmark@gmail.com</a> 08185389099, 08155481050	InstantKit ( An educational resource virtual platform)- A distinctive easy to use SaaS (Software as a service) virtual platform that is responsive for cloud, web and mobile devices, intuitive and easily find and report information and accessible to every stakeholder

H76	Wickliffe Oluwole	<a href="mailto:wickliffe.edison2016@uniabuja.edu.ng">wickliffe.edison2016@uniabuja.edu.ng</a> Phone: 08081776234 Office Address: Room 8, Student Affairs Unit, University of Ilorin, Ilorin Nigeria. Personal address: 6, David Oyinloye Crescent, Tanke, Ilorin. Kwara state.	Hospital management system- A cloud based application that provides step by step medications to common illness like flu, malaria etc
H77	Anne Thomas Technologies	<a href="mailto:surakat.kudehinbu@pilotnigeria.com">surakat.kudehinbu@pilotnigeria.com</a> 08091325725 No. 35a Itafaji Street, Dolphin Estate, Ikoyi Lagos	I-Beta Med Health Application- enables health care professionals to advice and diagnose patients without the need to see them face to face.
H78	Intellifarms Nig. Ltd.	<a href="mailto:fayolumoses@gmail.com">fayolumoses@gmail.com</a> +234 705 348 4577 +234 703 754 1280 Incubation Center, African Center of Excellence, OAK – PARK, OAU, Ile – Ife, Osun State, Nigeria	AI enabled mantrap door- for controlling the spread of covid-19 pandemic
H79	Oluwole adeosun	+234-813-608-1252 adeosunoluwole92@gmail.com	Kickstart- A health-based application that will sensitise and enable people have access to natural based health service and Covid 19 preventive measures which is affordable consisting of fruits, vegetables and other food as the short term, medium term and long term to healthier lives
H80	L &D Healthcare Limited	ID Freeman <a href="mailto:divine.freeman@gmail.com">divine.freeman@gmail.com</a> Suites A8, 1st Floor, Discovery Mall, Wuse 2 Abuja, Nigeria +2348030600827 +2348098966681	Life support Master- A mobile application designed to map and connect healthcare workers, emergency service providers and the users at home or office to collaborate in saving lives and staying safe at the face of corona virus and other health related emergencies
H81	Gozie Eguwewe	+234 806 796 0326 or +234 808 798 0325 <a href="mailto:gozeeac@gmail.com">gozeeac@gmail.com</a>	LifeSaver- A web and mobile app that helps users to find and donate blood or plasma conveniently
H82	Arenet ICT & Consulting Firm	Arafat Bala Saulawa <a href="mailto:Arafatbala_02@yahoo.com">Arafatbala_02@yahoo.com</a> 08034499202	Customer Centric Contact Centre (C4) COVID-19 Triage- provides healthcare organizations with AWS-powered chatbot to triage individuals calling in about covid 19
H83	Sam Olayemi	+234 9091920347 <a href="mailto:manifestationsam@gmail.com">manifestationsam@gmail.com</a>	Sky Squad- A technology company that focuses on building Robotics, Artificial Intelligence and Automated Machines for telehealth

H84	Farelands Information Technology	Dr Chimaroke Udeichi Applinic Telehealth +2348086675053 <a href="https://applinic.com">https://applinic.com</a> <a href="mailto:fastgovng@gmail.com">fastgovng@gmail.com</a> <a href="#">1 Nwodu Street GRA Enugu</a>	Applinic- A web and mobile application that connect patients and doctors online
